

Here is a list of hotels in the downtown area and bed & breakfast places in our Capitol Hill neighborhood. The map shows the locations of all of the establishments in relation to our house and to Smith Tower, the wedding location. It is roughly a mile from our house to the waterfront which should give an idea of scale. Please keep in mind that the list was pulled from the yellow pages and no arrangements have been made with the proprietors of these lodging facilities.

We suggest that you speak to a travel agent for additional affordable locations in the Seattle area. We also recommend that reservations be made as soon as possible as July is a busy time of year. Don't forget to ask about Senior Citizen discounts and AAA discounts!
